At Aludecor our aim is to facilitate imagination, creativity and innovation. We ensure this through future-friendly products that raise the bar, every day.

Stringent measures are adopted to make sure that the products meet international standards. Since 2002, the company has consistently upgraded technology, introduced superior aesthetics, used the best raw materials and established new parameters for excellence in the national market of Metal Composite Panels (MCPs) and coated coils.

Reasons to buy Aludecor MCPs

Flexible

Durable

Fire-retardant

Use of
Lead-free paints

Helps buildings
qualify for LEED

Exterior Coating

Recyclable

Saves energy

Change is pervasive and inevitable. At Aludecor, this fact of life has formed the basis of most innovations. The Company has always believed in adapting to the new normal, to the new ways of life, with newer, more effective products - but, of course, with the same objective every time - to make life safer and more beautiful for everyone.

Aludecor has given a new dimension to health and safety that led to the birth of Aludecor AG+, Anti-bacterial ACPs, followed by ARMOR, Anti-insect ACPs, and the most recent addition Vi-SECURE, Antimicrobial ACPs - all Ensuring a Worry-Free Touch!
