Introducing Metacity

Metacity Louvers redefine exterior aesthetics with innovation, strength, and flawless design flexibility. As India's first Hybrid and 90° Bendable Louvers, they offer architects and designers the freedom to create sleek, modern, and fluid façades with unmatched precision. Metacity ensures superior durability, uniform finish, and long-lasting performance.

FEATURE	CONVENTIONAL LOUVERS	METACITY HYBRID LOUVERS
Bendability	Prone to Cracking at 90° Bends	Smooth 90° Bendable without Cracks
Finish	Powder Coated or Painted	Roller-Coated for Deep Texture
Design Options	Limited	Barcode, Straight Line, Dual Tone
Weight	Heavy	Lightweight Yet Strong
Installation	Requires Site Work	Ready-to-install DIY Format
Surface Appeal	Bulk Finish	Sleek 18mm and 24mm profiles

Why Are Architects Switching to Metacity
