Symphony in
TIMBER
An Ole to joy

Disclaimer -

This digital annexure catalogue is provided for the sole purpose of viewing and referring to the knots, grains, patterns and shades of our products. It is not intended to replicate the actual look and feel of the materials. This is purely for visual representation.

For an accurate assessment of the product's appearance, pattern, and quality, we strongly recommend that you request physical samples. Our dedicated team is ready to assist you; please contact us at 1800-102-0407 or your local dealer to inquire more.

Please note that variations in color, knots, grains, patterns, and appearance may occur between the digital representation and the physical product. We cannot be held responsible for any discrepancies between the digital images and the actual materials.

We are committed to providing you with the best possible experience and quality products.
