ABOUT VIRGO GROUP

Founded in 1993, Virgo Group is one of the leading manufacturing companies of India having technical merriment rooted at the very zenith of its working hierarchy. Our diverse business interests include superior ranges of laminates, plywood, aluminum, pharma and ACP. We showcase a range of world-class premium products with uncountable designs, colors, textures, and finishes.

We are driven by our constant effort to maintain creativity, quality and innovation in all our businesses. We have over 27 branches in major cities of India and international offices in Thailand, Malaysia and Singapore. Our production facilities are segregated in six major heads. We have a strong dealer/distributor channel having 7000+ nodes. Our production capacity is 52 million sq.mtr. laminates and 78,000 MT aluminum per annum.

With a team size of over 3000+ employees, Virgo Group's employees all over the world continue to work together in a rewarding environment to achieve the objectives of the company, which it was founded upon.

We are honored with the certification of Indian Power Brand. With 25 years of expertise, we have committed ourselves to uphold the highest manufacturing standards. We are certified by many major regulatory bodies like ISI, ISO, CE, Green Label Singapore & Greenguard Gold and many more.

Virgo today has evolved into a firm that has been generating optimum profit through total satisfaction of customers, suppliers, employees and society.
